

National Internet2 Day Agenda, Thursday, March 18, 2004

Red = Overview	Gold = Demonstration/Performance	Orange = Plenary
Time	Presentation	Speaker
8:15 - 8:30 a.m. EST	<i>Opening Remarks</i>	Laurie Burns , National Internet2 Day Moderator Director of Applications Programs and Member Activities, Internet2
8:30 - 8:45 a.m. EST	<i>Welcome and Keynote</i>	Douglas Van Houweling President and CEO, Internet2
8:45 - 9:00 a.m. EST	<i>Designing a New Networking Environment for U.S. Research & Education</i>	Steve Corbató Director of Backbone Network Infrastructure, Internet2
9:00 - 9:30 a.m. EST	Internet2 Overview	Gary Bachula Vice President for External Relations, Internet2
9:30 - 10:45 a.m. EST	Collaboration Technologies Overview	Jonathan Tyman Manager, Digital Video, Internet2
	<i>The Internet2 Commons</i>	Jonathan Tyman (http://commons.internet2.edu/)
	<i>Integrated Communications and Connectivity</i>	Ben Teitelbaum Program Manager, Voice and Integrated Communications Initiative, Internet2
	<i>MediaVision Courseware: Enhancing Education Using Streaming Technology</i>	Wendy Shapiro Director, Information Technology Services, Case Western Reserve University Mike Kubit Manager, MediaVision and Classroom Technology, Case Western Reserve University (http://www.cwru.edu/its/itac/mediavision/) Ignacio Ocasio Assistant Professor of Chemistry, Case Western Reserve University (http://www.case.edu/artsci/chem/faculty/ocasio/) Jiaxi Ding Student, Case Western Reserve University
	MediaVision Courseware Demonstration	Shapiro, Kubit, Ocasio, Ding
10:45 - 11:00 a.m. EST	Applications Overview	Charles Yun Program Manager, Science and Engineering, Internet2
11:00 a.m.-12:00 p.m. EST	Sciences & Engineering Overview	Charles Yun (http://science.internet2.edu/)
	<i>Electronic Transmission of Very-Long-Baseline Interferometry (eVLBI)</i>	David Lapsley Research Engineer, Haystack Observatory, Massachusetts Institute of Technology (http://web.haystack.edu/e-vlbi/evlbi.html) (http://science.internet2.edu/vlbi.html)
	<i>High Energy Nuclear Physics (HENP)</i>	Shawn McKee Assistant Research Scientist, Physics Department, University of Michigan
	<i>NEESgrid (National Virtual Collaboratory for Earthquake Engineering)</i>	Tom Finholt Research Associate Professor, School of Information and Director, Collaboratory for Research on Electronic Work, University of Michigan
12:00 - 1:00 p.m. EST	<i>Repeat of morning presentations; chat room available; KEXP-FM radio broadcast from the University of Washington</i>	Burns, Van Houweling, Corbató and Bachula
1:00 - 2:00 p.m. EST	PLENARY: Networks and Middleware for Cyberinfrastructure-enabled Knowledge Communities	Dan Atkins Director, Alliance for Community Technology, School of Information, University of Michigan
2:00 - 3:00 p.m. EST	Teaching Overview	Franz Kurfess Associate Professor, Computer Science Department, California Polytechnic State University
	<i>Case Studies on Using Internet2 to Teach</i>	Franz Kurfess (http://www.i2.calpoly.edu/)
	<i>International Education - Singapore MIT Alliance</i>	Vijay Kumar Vice President for Information Services and Technology, Massachusetts Institute of Technology (http://web.mit.edu/vkumar/www/circvitae.html)
	<i>Remote Instrumentation for Teaching</i>	John Mansfield Laboratory Manager, North Campus Electron Microbeam Analysis Lab, University of Michigan (http://emailwww.engin.umich.edu/people/jfmjfm/jfmjfm.html)
	<i>Bradley University and California State University, Los Angeles Screenwriting Course</i>	Jeff Huberman Dean, Slane College of Communications and Fine Arts, Bradley University (http://www.bradley.edu/hilltopics/03spring/featureclassmates.shtml)
3:00 - 3:30 p.m. EST	Jazz Combo Performance	Manhattan School of Music/Columbia University
3:30 - 4:30 p.m. EST	Best Practices for Music Master Classes	Ann Doyle Program Manager, Arts & Humanities, Internet2
	<i>Case Western Reserve University</i>	Tom Knab CIO, College of Arts & Sciences, Case Western Reserve University (http://www.cwru.edu)
	<i>Manhattan School of Music</i>	Louis Brown Chief Audio Engineer, Recording and Videoconferencing Department, Manhattan School of Music Christianne Orto Director of Recording & Videoconferencing, Manhattan School of Music (http://www.msmnyc.edu)

National Internet2 Day Agenda, Thursday, March 18, 2004

	<i>New World Symphony</i>	Tom Snook Director for Technology and Information Systems, New World Symphony (http://www.nws.org)
	<i>Eastman School of Music, University of Rochester</i>	Benton Hess Professor, University of Rochester Ramon Ricker Director, Institute for Music Leadership, University of Rochester (http://www.rochester.edu/Eastman/)
