

Habitat for Humanity Volunteer Confirmation

You are now confirmed to volunteer at:

Musicians' Village

**Located at the intersection of: N. Prieur and Alvar
Sts.**

New Orleans, LA

(log on to google.com or mapquest.com for driving
directions)

**Please have your transportation remain until you are
dispersed to your assigned work location.**

Date: October 11, 2008

Work hours: 7:45 a.m. – 3:15 p.m.

Please email any changes/cancellation to:

**lorraineph@habitat-nola.org no later than 2 days
after receiving confirmation.**

By signing up to volunteer with N.O.A.H.H. I agree to:

- **Arrive at the above meeting place no later than 7:45 AM**

- **Bring my own transportation**
- **Bring my own water bottle and lunch (or means to provide my own lunch)**
- **Leave no later than 3:15 PM**

Transportation: You are required to find your own way to and from the site. Please keep your transportation nearby as you will be assigned to a home/project after the morning safety briefing. **This home/project may not be within walking distance of the meeting place for the safety briefing, but it will be in the same neighborhood, so please be prepared to possibly drive to a site nearby.**

Dress: You should dress in clothes that you don't mind ruining and in which you can work comfortably in your specific date's weather. Shoes must be closed-toed (i.e. no sandals). You may also wish to bring sunglasses and sunscreen with you.

Work to be done: It is impossible to say what the exact nature of the work on any given day will be. There is always a wide range of things to be done.

In case of rain: We will continue to work, inside if need be, until the rain abates. If it becomes obvious that the rain isn't going to stop then work will be called off for the day, but this is a **very rare** occurrence.

Lunch: From 12:00 1:00 we will break for lunch. You are to bring your own lunch with you to the site. **Lunch will not be provided for you.**

Water: Please bring a bottle with you to the worksite. There will be water provided, but you will need a bottle to refill throughout the day.

Transportation: You are required to find your own way to and from the site.

Liability waiver: Please bring your completed liability waiver with

you to the worksite if you have not already sent it in. In the instance that you misplace or forget your waiver, some will be available on site.

Please note:

We will do our best to place you at the worksite you have requested. Please understand that we are beginning to build homes all over the city and will need volunteers for a variety of projects. Ultimately, we hope that you will support us in sending you where you are needed most. Thank you for your patience and understanding.

If you would like to stay at Camp Hope, please register on our website. Go to www.habitat-nola.org. Click on “volunteer”- “group.” If you have any problems, please email Mea Shimizu meas@habitat-nola.org . You must be at least 18 years old to stay at Camp Hope.
